

British Exhibitor Group

National Hardware Show 2024

26 – 28 March 2024

www.nationalhardwareshow.com

Make visiting the Gardenex British exhibitor group part of your show schedule. We are located in the West Hall (Shop Global) on the British pavilion. You'll see exciting products displayed by the British exhibitors, all demonstrating the design flair, quality and product innovation that makes the British garden, leisure and home hardware industry a world leader. Further details about these and hundreds more British lawn and garden suppliers are available free from the **Gardenex trade association booth W2208**

Visit us for our Buyers Guide to British Garden, Leisure & Pet Products and register to receive future editions of our Buyers' Guides. Take advantage of the Gardenex free product sourcing service, hear about our meet-the-suppliers events or learn about Glee – the UK's leading garden and outdoor living trade show; please note the show dates are back to September. We look forward to seeing you there.
